Income Distribution History

Distribution Policy: The fund will distribute income subject to the availability of income. Incidentally: USD, MYR-Hedged, MYR

Country Allocation as at 30 September 2023*

* The data provided above is that of the Fund and is a percentage of NAV as at 30 September 2023. All figures are subject to frequent changes on a daily basis and the percentages might not add up to 100% due to rounding. The Morningstar Rating is an assessment of a Fund's past performance-based on both return and risk-which shows how similar investments compare with their competitors. A high rating alone is insufficient basis for an investment decision. Where a distribution is declared, investors are advised that following the issue of additional Units/distribution, the NAV per Unit will be reduced from cum-distribution NAV to ex-distribution NAV. A copy of the Prospectus and Product Highlights Sheet ("PHS") can be obtained at Aiiman Asset Management's ("Aiiman AM") office or at www.aiiman.com. Investors are advised to read and understand the contents of Prospectus and the corresponding PHS before investing. There are fees and charges involved when investing in the Fund. Investors are advised to consider and compare the fees and charges as well of the risks carefully before investing. Investors should make their own assessment of the risks involved in investing and should seek professional advice, where necessary. The price of units and distribution payable, if any, may go down as well as up and past performance of the fund should not be taken as indicative of its future performance. The Securities Commission Malaysia has not reviewed this marketing/promotional material and takes no responsibility for the contents of this marketing/promotional material and expressly disclaims all liability, however arising from this marketing/promotional material.
